TO WHOM IT MAY CONCERN

GONNE-MARIEKE LAMERS

Ms Lamers has worked for EUROGI, a European Stichting under Dutch law, since October 1994. During that period she has filled the post of Assistant Secretary General working directly to the Secretary General and myself as President.

She has proved to be a very personable young lady who is extremely competent, loyal, reliable and hard working. She has shown initiative in the running of the office and in her dealings with the public over a wide range of professional and technical matters. She is not frightened of working on her own, without direct supervision and she shows sound judgement knowing the appropriate time to seek advice.

Gonne-Marieke has been a real joy to work with and I will greatly miss her support as will the organisation.
